### CUPPINGS A COFFEE TASTING GAME FOR TWO

Get two cups of the same coffee (drip coffee is best). Give each player one of these cards.

Taste your coffee. Pick the aroma that fits best and circle it on your card. Keep this a secret

Take turns guessing the other's aroma. If the other says yes, circle it and you're done. If no, both players mark it as they like

You're not allowed to guess the aroma you chose yourself! (But don't worry, players don't usually pick the same.)

Keep going until you've guessed each other's aromas, or if you've each taken five turns. Discuss your choices.
